Whenever a need for a change in the duties and responsibilities of any position occurs in which matters of classification may be involved, the Department Head in whose department the position is located shall notify the City Manager through the Human Resources Department of that fact and the Union will be so advised by the Director of Human Resources.

10.10 Notification of New Classification

The City shall notify the Union and upon written request discuss in advance the establishment of new career classifications if the work is related to work performed by classifications in Units G-1, G-3, I-A, I-B, L, R-1 and R-2. This procedure shall also be applicable to the reclassification of positions presently in such units.

10.11 Desk Audits

Upon request of the employee or his/her Department Head, the Human Resources Department shall, within ninety (90) days if possible, audit the position of the employee to determine if he/she is working out of classification. If the audit determines that the employee has been working in the higher class, the employee shall receive back pay to the date of the beginning of the closest pay period that the position description questionnaire was received by the employee's supervisor. In the event the City reclassifies a position from a lower level classification to a higher level classification, an incumbent occupying such position shall be reclassified without competitive examination provided s/he has performed the duties of the new class for one year and has not received an unsatisfactory evaluation during that period. All other employees shall pass an examination for the higher class and shall serve the normal probationary period. There will be a maximum of one (1) audit in a twelve (12) month period unless the employee is assigned to a different job in which case there may be a second audit in a twelve (12) month period. This section is not applicable to salary equity reviews when the assignment fits within the existing classification.

Reclassification or reallocation of positions shall not be used as a mechanism, the sole purpose of which is to improperly circumvent the provisions of this Agreement, including provisions relating to layoff, transfer, demotion or promotion. Upon request, the City will provide the Union with a written yearly report of all audits requested and performed. The City shall provide, upon request, for information only, the status (expiration date) of all existing eligible lists for Local 1021 and Local 1 classifications.

10.12 Temporary Appointments Notification

Temporary appointees will be advised that they are hired on a temporary basis and will be provided with an offer letter setting forth the terms of their employment.

10.13 Continuous Eligibility

- 10.13.1 For Career Employees:** Any employee maintaining permanent or probationary status in any classification may qualify for continuous eligibility for classifications in which his/her name appears on the eligible list. Employees who qualify for continuous eligibility will remain on the eligible list in their relative standing without being required to compete in subsequent examinations. Employees will be required to submit to the Human Resources Department an updated application within the announced filing period for a specific position. Continuous eligibility is

based on persons meeting the minimum requirements for the classification. Continuous eligibility does not preclude the employee from taking subsequent tests to attempt to improve his or her standing.

At such time as new eligibility standards are introduced, employees will be notified by the Human Resources Department that they must pass a new examination in order to remain on the eligible list. Continuous eligibility shall be administered by the Director of Human Resources according to procedures established by the Director of Human Resources.

- 10.13.2 **For Temporary/Intermittent Employees:** Any employee continuously appointed as a temporary/intermittent employee from an eligible list shall remain eligible for probationary appointment to career positions within that classification for the duration of the temporary/intermittent employment without renewing eligibility on subsequent eligible lists.

SECTION 11: CONTRACTING OUT

For the purpose of preserving work and job opportunities for employees covered by this agreement, the employer agrees that no work or service of the kind, nature, or type presently performed by members of this bargaining unit shall be subcontracted prior to meeting and conferring with the Union in an effort to find alternatives.

The Union shall be provided notice of any proposed contracts with outside vendors for services with the City. Additionally, the City shall provide the Union with notice of a Request for Proposals for outside services. Such notice shall be provided when the Contract Management System or Request for Proposal number is assigned. Notification shall be provided through an electronic notification system.

SECTION 12: HOURS AND DAYS OF WORK

12.1 Rules

Hours and days of work shall be governed by rules established by the City Manager. At the present time, for a full-time employee, the normal workday shall consist of eight (8) hours, and the normal workweek shall consist of forty (40) hours, unless otherwise provided. However, employees in work units that provide a six (6) or seven (7) day operation may be required to flex their work schedule based on the needs of the work unit, except in the Library Department. Flexing of work schedule will be assigned on the basis of inverse seniority unless more senior employees prefer to accept such work. The required flexing of work schedules will be on a day-for-day basis. When an employee is required to work on a regularly scheduled day off, the department will provide that employee with an alternative day off in the same work week when the required flexing occurs.

12.2 Flexible Work Schedule

Employees may request variable working hours such as, but not limited to, 10 hours a day, four days a week, job sharing, and working under a flexible arrangement. Flexible scheduling may also include the option of a one-half hour lunch break. This option shall be available in all departments in the City and will be considered seriously if all City functions within units can be accomplished through flexible scheduling.

12.3 Work Week

The workweek will begin at 12:01 a.m. Sunday and end at Saturday midnight. Regular days off will be considered to be Saturday and Sunday except in those programs with six or seven day operations.

12.4 Lunch and Rest Periods

As approved by the Department Head, lunch periods shall be a minimum of one-half hour to a maximum of one hour. Employees shall receive a rest break of fifteen (15) minutes during each four-hour shift. For each additional hour of work time, the employee shall receive an additional five (5) minutes of rest break.

Whereas, for R-1 and R-2 employees, lunch and/or rest breaks cannot be taken because of program constraints, the employee will be paid for the time worked during such lunch and rest periods. Time paid for rest breaks will not be counted as regular scheduled work hours, i.e., if an employee works from 9:00 a.m. to 4:00 p.m., the employee should be paid from 9:00 a.m. to 4:30 p.m.

12.5 Sunday and Graveyard Shifts

Regularly scheduled Sunday shifts and "graveyard" shifts, as defined in Section 14, shall be for eight (8) consecutive hours including up to one-half ($\frac{1}{2}$) hour for lunch.

12.6 Shift Assignments

Within a given classification, shift assignments shall first be offered to employees by classification seniority on a voluntary basis. In the event shift assignments are not filled voluntarily, such assignments will be made on the basis of inverse classification seniority. Within a Library department or unit, shift assignments shall be made on a rotational basis so that the least desirable shifts can be shared as equally as possible.

12.6.1 Types of Shifts:

- a. **Swing** shift means authorized work schedules regularly assigned in which four (4) hours or more worked are between the hours of 5:00 p.m. and 12:00 midnight of each workday.

- b. **Night** shift means authorized work schedules regularly assigned in which four (4) hours or more worked are between the hours of 12:00 midnight and 7:00 a.m. of each workday.
- c. **Day** shift means any authorized work schedules assigned except swing or night shifts as defined in this section.

12.7 Library Flex Time

Employees who are working during hours of the Board of Library Trustees (BOLT) meeting may request flex time consistent with Library policy as set forth in Library Administrative Regulation 2.11 (Flextime/Alternate Work Schedules Policy and Guidelines) to attend the meeting. The Library shall use its best efforts to grant such requests from at least one (1) branch library employee for each meeting.

12.8 Daylight Saving Time

12.8.1 **Spring:** In the Spring when transitioning to Daylight Saving Time (DST), employees working during the one (1) hour transition from Standard Time to DST will be paid only for actual hours worked. Employees working on a shift which includes the one (1) hour transition may be granted an option by the Department Head or his or her designee, to work an additional hour or use compensatory time, floating holiday, or vacation to make up the lost work hour.

12.8.2 **Fall:** In the Fall when transitioning to DST, employees working during the one (1) hour transition will be paid for all hours worked including overtime at one and one-half (1½) times the straight-time rate of pay for hours worked in excess of the regular workweek as set forth in Section 13 of this Agreement.

SECTION 13: OVERTIME

Employees required to work in excess of their basic workweek shall be compensated for such overtime services as follows:

13.1 Overtime

The straight-time workweek shall consist of forty (40) hours, five (5) days per week, unless otherwise agreed between the employee and the City. If the employee is required to work in excess of forty (40) hours in any one work week or eight (8) hours in any one workday, the employee shall be paid at the rate of time and one-half the employee's regular rate for all hours over eight (8) in a day or forty (40) in a week, except that if the employee works over twelve (12) hours in a workday, the employee shall be paid at the rate of two times the employee's regular rate of pay. These provisions shall not result in pyramiding of overtime and shall not apply to employees who voluntarily work under a flex-schedule arrangement which

requires more than eight (8) hours per day. Leave without pay shall not be considered hours worked for the purpose of computing overtime compensation.

13.2 Department Head Discretion

Whether an employee shall be compensated for overtime by compensatory time off or by payment shall be at the sole discretion of the employee's Department Head.

- 13.2.1 **Mandatory Overtime:** when an employee is directed to work in excess of his or her basic work week, the employee shall be paid at the rate of one and one-half (1½) times the employee's regular rate of pay. Based on the needs of the work unit, the manager may offer the employee being directed to work overtime the option of earning Compensatory Time in lieu of overtime pay, subject to the maximum accumulation requirement in Section 13.7 (Compensatory Time Off).

13.3 Final Compensation

In the event that an employee resigns or is terminated, the employee shall be entitled to compensation for his or her accumulated overtime.

13.4 Workweek

For the purpose of computing overtime, the workweek shall be defined as beginning at 12:01 a.m. Sunday and ending at 12:00 midnight Saturday.

13.5 Emergency Call Back

Employees who are called into work outside their normal work schedule shall be paid overtime compensation for actual time worked. The minimum time for which such overtime compensation shall be paid shall be four (4) hours. If such overtime work is performed prior to the beginning of the regularly scheduled work period and overtime continues into the regularly scheduled work period without a break in service, compensation shall be paid only for the actual time worked.

13.6 Standby Pay

Standby service shall mean being available for service outside of regular working hours at any time when called. Employees may be assigned to standby service and the City shall compensate employees thus assigned on an hourly rate as provided below. If an employee assigned to standby service is not available when called or is unable or fails for any reason to perform the service when called, the employee shall not receive the standby pay provided for herein. An employee will not be assigned to standby service if the employee is on vacation leave, sick leave, compensatory time off, off work on a floating holiday, on workers' compensation leave or other leave, or when on a modified duty assignment.

Days of the Week	Hourly Rate of Pay
Monday, Tuesday, Wednesday, Thursday, Friday	\$4.09 per hour
Saturday, Sunday, or any Holiday named in Sections 18.1.1 through 19.1.13 regardless of the day of the week	\$5.43 per hour

13.7 Compensatory Time Off

Compensatory time off may be earned in lieu of overtime pay at the rate of one and one-half ($1\frac{1}{2}$) hours for each overtime hour worked up to a maximum of sixty (60) hours of such compensatory time. Accumulation of compensatory time off in excess of sixty (60) hours may be allowed at the discretion of the Department Head. Compensatory Time Off cannot be used in the same pay period it is accrued. Utilization of compensatory time shall be determined by the Department Head with due regard for the wishes of the employee and particular regard for the needs of the service. As used herein, sixty (60) hours of compensatory time is equal to ninety (90) hours of time off work. In the event of layoff, termination, or transfer the employee shall be compensated for all compensatory time accrued but still unused.

13.8 Natural Disaster/Declared Emergency

If an emergency is declared by the City, county, state or national authority:

- 13.8.1 If an employee is called outside of normal working hours, the employee gets time and one half ($1\frac{1}{2}$) the normal rate of pay for the first whole shift regardless of the number of hours worked. If the employee is not called from home the regular rules apply (i.e., overtime for hours worked above eight in a day).
- 13.8.2 Thereafter: the first eight hours at regular rate and $7\frac{1}{2}\%$ for hours worked between 5:00 p.m. and midnight; 10% for hours worked from midnight to 7:00 a.m. For hours greater than eight in a shift, the employee gets time and one half ($1\frac{1}{2}$) the normal rate of pay but no shift differential on those hours above eight.

SECTION 14: SHIFT DIFFERENTIAL**14.1 Shift Differential**

- 14.1.1 Swing Shift: Employees who regularly work on a full shift of eight (8) hours or more on swing shift as defined in Section 12.6.1 (Types of Shifts), which includes four (4) hours or more between the hours of 5:00 p.m. and 12:00 midnight, shall be paid their regular salary plus seven and one-half percent ($7\frac{1}{2}\%$) of their monthly salary per month.
- 14.1.2 Night Shift: Employees who regularly work a full shift of eight (8) hours or more on night shift as defined in Section 12.6.1 (Types of Shifts), which includes four (4) hours or more between the hours of 12:00 midnight and 7:00 a.m., shall be paid their regular salary plus ten percent (10%) of their monthly salary per month, provided that in the case of any employee who is regularly assigned to night-shift work for less than an entire work week,

the additional payment shall be made only for the portion of the work week worked on the night-shift assignment.

14.2 Sunday Shift for Career Library Employees

For career library (including Library Aides) only, employees who work a shift entirely on Sunday of less than 8 hours shall receive a differential of ten percent (10%) of their regular hourly rate for those hours actually worked.

14.3 Sunday Shift for R-1 and R-2 Employees

R-1 and R-2 employees (excepting Sports Officials) who are required to work a shift entirely on Sunday of less than eight (8) hours (or for special events such as civic festival on a Sunday) shall receive a differential of ten percent (10%) of their regular hourly rate for those hours actually worked.

SECTION 15: PREMIUM PAY

15.1 Library-Supervisor-In-Charge

When a non-supervisory library employee is required to be the "Library-Supervisor-In-Charge" at the Central Library, s/he shall receive a differential of five percent (5%) above the regular hourly wage for all time in which such work is performed.

15.2 Bilingual Premium Pay

15.2.1 An employee who is required as an essential part of his or her job to provide non-English language services, including Braille and sign language, routinely and consistently as part of his or her regular job assignment as determined by the City will receive a Bilingual Premium Pay Differential of five percent (5%). The employee must agree to use the bilingual skill during his or her normal work shift regardless of assignment. The Bilingual Premium Pay Differential of five percent (5%) will be reported to CalPERS as Bilingual Premium Special Assignment Pay. However, any hours worked on overtime are excluded from CalPERS reported "compensation earnable" in California Government Code Section 20635.

15.2.2 An employee who is required as an essential part of his or her job to provide non-English language services, including Braille and sign language, will receive a Bilingual Premium Pay Differential of two percent (2%). The criteria for receiving the differential will be: a) when assigned by management, or b) at the request of the employee with the supervisor's agreement, or, c) after a job audit and who must utilize these skills on an occasional basis. The employee must agree to use the bilingual skill during his or her normal work shift regardless of assignment. The Bilingual Premium Pay Differential of two percent (2%) will be reported to CalPERS as Bilingual Premium Special Assignment Pay. However, any hours worked

on overtime are excluded from CalPERS reported "compensation earnable" in California Government Code Section 20635.

- 15.2.3 **Competency:** The bilingual premium will not be applicable under any circumstances except to an employee who possesses second language competency. Management reserves the right to test for second language appropriate competency prior to a Bilingual Premium Pay Differential.

15.3 Longevity Pay

Effective June 28, 2009, employees completing twenty-four (24) years of service shall receive a three percent (3%) differential beginning with the anniversary date of beginning the twenty-fifth (25th) year of service and shall apply to all hours in a paid status. This Longevity Pay shall be reported to CalPERS as Longevity Pay Incentive Pay.

15.4 Senior Information Systems Specialist Educational Incentive

An employee in the Senior Information Systems Specialist classification who obtains and maintains a valid Cisco Certified Network Associate (CCNA) certificate shall receive a two percent (2%) differential to his or her base salary. An employee in the Senior Information Systems Specialist classification who obtains and maintains a valid Microsoft Certified Systems Engineer (MCSE) certificate shall receive a four percent (4%) differential to his or her base salary. The specific certifications referenced in this Section (CCNA and MCSE) are subject to change as modifications to the City's technical infrastructure change. This salary differential shall be reported to CalPERS as Educational Incentive Pay.

15.5 Recreation Activity Leaders Personal Care Services Differential

Recreation Activity Leaders assigned to work with disabled children in the Inclusion Program and who provide personal care services (i.e., toileting, etc.) to those children shall receive a six and one-half percent (6.5%) differential for those hours worked in the program. The differential shall be reported to CalPERS as Hazard Premium Special Assignment Pay.

The classification specification for Recreation Activity Leader will be modified to include personal care as a duty to which employees may be assigned. The Union shall be provided copies of the proposed change to the classification specification prior to implementation.

SECTION 16: PAYROLL ERRORS

To ensure that system or other errors which affect an employee's pay are processed in an efficient and effective manner, the City shall notify the affected employee(s) as soon as practicable. Payroll errors detected by an employee shall, as soon as practicable, be communicated to the employee's Departmental Payroll Clerk. In the case of under payments, the Payroll Clerk shall submit the appropriate adjustments as soon as

practicable. Payroll errors identified by the Auditor will be communicated to the employee either directly by Auditor staff or through the Departmental Payroll Clerk.

Under payments will be processed as soon as practicable after they are brought to the attention of the Auditor's Department. If the employee is paid less than 80% of base salary as a result of an underpayment in the then-current pay period, the City shall process the underpayment within three business days after notification to the departmental payroll clerk and approval of the supervisor. All other underpayment adjustments will be processed on the next pay check.

In the event of an overpayment, the Auditor's Office will determine a reasonable repayment schedule and inform the employee of the schedule directly, or through the Department Payroll Clerk. Before a repayment schedule is implemented the affected employee shall be given an opportunity to discuss the schedule of repayment and to request an adjustment to the repayment schedule as a needed and reasonable modification. In the event that (1) the employee does not respond within 10 working days of receiving written notice of the overpayment, or (2) mutual agreement on the repayment schedule is not achieved within 20 working days of the employee receiving written notice of the overpayment, the Auditor's Office will proceed to implement a reasonable repayment schedule consistent with the requirements of this section. Factors considered in determining whether a requested modification of a repayment schedule is reasonable include, but are not limited to, the length of time the overpayment has occurred, the amount of the overpayment, the employee's normal salary, and other financial obligations of the employee.

Generally, overpayment shall be recaptured at least at the rate at which the overpayment occurred. Overpayment shall not be recaptured at a more rapid rate than the rate at which the overpayment occurred, except (1) by permission of the affected employee, or (2) if the repayment amount per pay period would otherwise be less than five percent (5%) of gross base salary each pay period, or, (3) the overpayment was of \$99 or less, in which case it must be recouped in one lump sum. However, should an employee with a repayment schedule leave the employ of the City before repaying the City the full amount of any overpayment, the outstanding debt shall be deducted from any salary and leave balances for which the employee would otherwise be paid upon separating from the City. Where an employee requests and the City concludes that s/he has justified a modified repayment schedule, the City may, in its sole discretion, permit exceptions to these standards.

The City and the Union agree that the City is authorized to recover any salary overpayment made to the employee from the employee's wages, except that the City shall not attempt to recover overpayments which would be barred by a four year statute of limitations in a court action for their recovery. However, once a repayment schedule is implemented, the City will retain the right to recover the full amount of the overpayments covered by the schedule, and the limitations period for those overpayments shall be tolled for the duration of the repayment schedule.

Nothing in this policy shall prevent the City from taking such other or additional action, such as a lawsuit, as is appropriate and necessary to recover overpayments to employees.

ARTICLE 3 - LEAVES

SECTION 17: VACATION

17.1 Entitlement

All employees who work with the City shall be entitled to use vacation leave (Library Aides: see Section 51).

17.2 Vacation Approval

The times during the calendar year at which an employee shall take vacation shall be determined by the Department Head with due regard for the wishes of the employee and particular regard for the needs of the service. Wherever practical, employees in Units G-1, G-3, L, and R-1 working in the same classifications within a division shall be given preference of vacation time by seniority. If the City cannot allow the vacation that the employee requested, the employee, with the Department Head's approval (if the service permits), may take vacation at another mutually agreed upon time during the same calendar year. If the requirements of the service are such that a Department Head cannot permit an employee within the department to take an annual vacation leave, or any part of such leave within a particular calendar year, the City Manager/Director of Library Services may permit the employee to take the deferred vacation during the following year.

With advance supervisory approval, vacations may be taken in increments of one (1) hour.

The City may revise vacation accumulation provisions in order to standardize accounting procedures without effect on the amount of employees' vacation; subject to review and comment by the Union.

17.3 Accrual

Employees shall be entitled to vacation leave as follows (except as provided in Sections 17.4 (Accrual, Use, and Limitations for Employees), 17.5 (Effect of Holidays Upon Vacation Leave), 17.9 (Public Health Classifications Vacation Accrual), 17.10 (Mental Health Classifications Vacation Accrual), 17.11 (Library Classifications Vacation Accrual), and 17.12 (Vacation Without Pay) below).

Years of Service	Authorize Annual Vacation (in work weeks)	Vacation Leave Credits (in workdays per month of service)	Vacation Leave Credits (in hours earned per month of service)
First through third years of service	2 work weeks	0.833	6.667
Fourth through eleventh years of service	3 work weeks	1.25	10

Years of Service	Authorize Annual Vacation (in work weeks)	Vacation Leave Credits (in workdays per month of service)	Vacation Leave Credits (in hours earned per month of service)
Twelfth through seventeenth years of service	4 work weeks	1.667	13.333
Eighteenth through twenty-fourth years of service	5 work weeks	2.083	16.667
Twenty-fifth and subsequent years of service	6 work weeks	2.5	20

174 Accrual, Use, and Limitations for Employees

Each employee, during that portion of the calendar year in which the employee was originally appointed and during the next succeeding calendar year, shall be entitled to vacation leave credits at the rate of .833 work days for each calendar month of service.

- 17.4.1 Employees shall be entitled to pro-rata vacation leave credits for each hour the employee either works or is paid. An employee who is on unpaid status shall not accrue vacation benefits for the period the employee is not working and is not receiving pay.
- 17.4.2 During the first two calendar years of employment, employees shall be entitled to take only such annual vacation leave as the employee earns. After two years of service, employees may request, and upon approval, take up to a maximum of two weeks of their annual vacation, in advance of actual earning. Approval of requests for advance vacation shall be solely at the discretion of management.
- 17.4.3 For an employee who has been on leave of absence without pay for a total of six (6) months or more or who has left employment and subsequently reemployed, the actual years of service with the City shall be used for the purpose of computing length of service in determining eligibility for vacation at the three (3), four (4), five (5), and six (6) weeks' rate.
- 17.4.4 For the purpose of computing length of service in determining eligibility for vacation at the three (3), four (4), five (5), or six (6) weeks' rate, time spent on extended military leave shall be counted as time spent in the service of the City.

17.5 Effect of Holidays upon Vacation Leave

In the event one or more municipal holidays fall within a vacation leave, such holidays shall not be charged as vacation leave, and the vacation leave shall be extended accordingly. The provisions of this Section shall not apply to those

positions in which holidays, due to the necessities of public health and safety, are normal working days.

17.6 Maximum Vacation Accumulation

Employees may defer vacation earned up to a maximum cumulative total of eight (8) weeks. An employee who has attained maximum accumulation may be required to take all excess earned vacation. Not later than October 1 of each year, the City will advise employees who have attained a maximum accumulation of vacation whether such excess earned vacation must be scheduled as time off prior to March 31. Such time off shall be scheduled in accordance with the provisions of Section 17.2 (Vacation Approval). Accumulated vacation may not be used immediately prior to retirement in order to extend the date of retirement, but shall instead be paid out in full upon retirement.

The City shall require all employees to reduce their accrued vacation balances to no more than 320 hours, as of the last pay period in February of each year of this Agreement. To effectuate the requirement that employees not accrue more than 320 hours vacation leave, the parties agree that not later than November 15 of each year of this Agreement, the City will provide the Union and Department Heads with a report identifying all employees who have accrued two hundred and eighty (280) hours of vacation leave and appear in danger of exceeding the 320 hour limit. Employees who have accrued 280 hours of vacation leave, as of that date, will be advised by their supervisor that they must take vacation leave to reduce their vacation leave accrual by February of the following year.

Supervisors should be flexible in granting employee vacation requests to those employees above, or approaching the 320 hours limit, and further, that with regard to employees who are in danger of exceeding the 320 hour limit, no vacation request by such an employee shall be unreasonably denied. If an employee who is in danger of exceeding the 320 hour limit fails by December 31 of each year of this Agreement to schedule a vacation to be taken before the last pay period in February of each year of this Agreement, the City has the authority to direct the employee to go on vacation leave to reduce the employee's accrued vacation.

If, due to operational necessity, a department head denies an employee vacation leave and does not provide the employee with an alternate vacation date, and as a result causes the employee to exceed the 320 vacation leave limit, said employee shall nonetheless be entitled to use that vacation leave in the next calendar year to the extent necessary to reduce their accrued vacation to not more than 320 hours.

17.7 Return from Leave

An employee who has returned from extended military leave or any other extended leave of absence without pay or who has been reemployed or reinstated shall be entitled, during the calendar year in which the employee returns to the City service, to a prorated vacation based upon the total years of service with the City and upon the total actual service with the City during the said calendar year. For succeeding calendar years, vacation shall be as provided in this Section 17 (Vacation).

17.8 Computation of Vacation Leave upon Termination, Extended Military Leave or Other Extended Leave of Absence Without Pay

If after six (6) months of continuous service, an employee is terminated, or is granted an extended military leave or other extended leave of absence without pay, such employee or his/her estate shall be paid for vacation credits in excess of the actual amount of vacation leave taken or such employee or his/her estate shall reimburse the City for the actual amount of vacation leave taken in excess of vacation leave credits as the case may be.

Upon termination, extended military leave or other extended leave of absence without pay, vacation leave credits shall be totaled, and the actual amount of vacation leave taken, including any that may have been taken during the year in which the termination, extended military leave or other extended leave of absence without pay occurs, shall be deducted from the total credits. If the credits exceed the actual amount of vacation leave taken, such employee or his/her estate shall be paid for the excess of the credits on the basis hereinafter set forth. If the actual amount of vacation leave taken exceeds the credits, such employee or his/her estate shall reimburse the City on the same basis.

The basis for such payment by the City or for such reimbursement to the City shall be as follows:

The employee's monthly salary at date of termination, extended military leave or other extended leave of absence without pay, divided by thirty (30) and multiplied by the excess of credits over vacation leave actually taken or excess of vacation leave actually taken over credits, as the case may be.

At the time of termination, extended military leave or other extended leave of absence without pay, or as soon thereafter as possible, payment for excess of vacation leave credits shall be made in a lump sum. An employee may elect to use excess vacation leave credits prior to termination, extended military leave or other extended leave of absence without pay, to the extent permitted by this Section, and receive a lump sum payment for the balance of vacation leave credits, if any. An employee or his/her estate shall not be paid for vacation leave credits in excess of eight (8) calendar weeks. Notwithstanding the foregoing, accumulated but unused vacation credit at the time of retirement shall be paid off in a lump sum.

An employee's entitlement to any and all benefits provided by the City under this retiree medical cover plan are subject to the funding limitations set forth in subsection 31.8 (City Funding of Retiree Health Benefit).

30.1: Amendment of Retiree Health Premium Assistance Plan V, effective June 28, 1998, Restated and Amended effective March 22, 2011.

Employees who retire on or after June 21, 2015, shall be permitted, at their discretion, to enroll in non-City sponsored health plans. After Council approval of the successor Memorandum of Understanding, the City shall amend the Retiree Health Premium Assistance Plan V (For Service Employees International Union, Local 1021 Community Services & Part-Time Recreation Leaders Association) as soon as practicable to allow enrollment in non-City sponsored health plans. In the event a retiree elects to enroll in a non-City sponsored health plan, the City shall make medical insurance premium payments directly to the health insurance provider in an amount equal to what the City would contribute to the City sponsored health plan. Retiree shall be solely responsible for all aspects of the requirements to enroll in a non-City sponsored health plan and maintain eligibility for such a plan; the City's sole obligation is to pay the medical insurance premium contribution required under this section, as directed by the retiree to a non-City sponsored health plan. The City shall not be responsible for any excess cost differentials associated with the direct payment of premiums to non-City sponsored plans. The City will only make payments through its third party administrator to provide medical insurance premium payments for an individual plan and will not make payments for a group plan. The retiree and/or surviving spouse or domestic partner that enroll in non-City sponsored health plans shall be solely responsible for paying the administrative set up fee, the monthly administrative fee, and/or any other fees established by the third party administrator, and said fees will be deducted directly from the retiree's monthly contribution. No cash payments will be paid directly to the retiree and/or the retiree's spouse/domestic partner. There shall be no cash in lieu payments made under this benefit.

The City and the Union agree that the City will also amend the Retiree Premium Assistance Plan V to allow eligible retirees who retired on or after June 21, 2015 to enroll in a non-City sponsored health plan.

The City agrees to meet and confer with SEIU, no later than January 1, 2019, regarding the reimbursement process of medical insurance premiums for the Retiree Health Assistance Plan for retiree and/or spouse/domestic partner until the death of both.

30.2 Eligibility

An employee is eligible for the retiree health insurance coverage set forth in subsection 30.3 (Pre Age 65 Retiree Health Insurance) below if he/she meets all the following criteria:

31.2.1 retires on or after June 28, 1998,

31.2.2 is vested with CalPERS,

31.2.3 has at least eight (8) years of CalPERS qualifying service with the City,

31.2.4 is at least age 55.

30.3 Pre Age 65 Retiree Health Insurance

Beginning June 28, 1998, the City shall make available health insurance coverage to the employee and his/her spouse or domestic partner. The City will pay on the employee's behalf no more than \$166.26 per month for an employee electing single party health coverage and no more than \$332.52 per month for an employee electing two-party coverage. The actual monthly amount of money the City will contribute on the employee's behalf will be based on the employee's total years of CalPERS service as provided in the following chart:

Years of CalPERS Qualifying Service	Percent of City Contribution
8	30%
9	40%
10	50%
11	58%
12	66%
13	74%
14	82%
15	90%
16	92%
17	94%
18	96%
19	98%
20	100%

The employee will pay the difference between the City's monthly contribution and the actual monthly insurance premium charged by the health plan he/she has elected for retiree medical coverage. If during the term of this Agreement, the premiums for such health insurance are increased, the amount the City contributes shall increase no more than 4.5% above the previous year's contribution. No increases in the amount the City contributes shall occur before July 1, 1999. Thereafter, any increase in the amount contributed by the City will occur on July 1 each year thereafter.

30.4 Retiree Benefits for Employees Age 65 and Over

Once an employee or retiree reaches age 65, he or she is eligible for Medicare. As a result his/her eligibility for the retiree medical benefits set forth in subsection 30.3 (Pre Age 65 Retiree Health Insurance) ceases. On reaching age 65, the City will make available health insurance coverage in addition to Medicare. When an employee or retiree reaches age 65, the City will contribute no more than \$16.17 per month on the employee's behalf for single party health insurance coverage and no more than \$32.34 per month for two-party health coverage. If during the term of this Agreement, the premiums for such health insurance are increased, the amount the City contributes shall increase no more than 4.5% above the previous year's contribution.

The City will take such actions under the provisions of Section 218(g) of the Social Security Act to permit employees who are not currently paying employee portion of the Medicare Tax with a one-time opportunity to choose to be covered by the Medicare Tax. If the employee chooses to be covered by the Medicare Tax the choice cannot be revoked at a later date.

30.5 Termination by City of Retiree Medical Benefit

Failure of the retiree or surviving spouse to pay their monthly share of the health insurance premium will result in termination of the retiree medical benefit and relieve the City of any further obligation to provide any further benefits under this section.

30.6 Retiree Medical Benefit for Employees Retiring Between the Ages of 50 and 55

An employee who is at least 50 years of age, but less than 55, and has at least eight years of CalPERS qualifying employment with the City will retain eligibility for the retiree medical benefits provided in subsection 30.3 (Pre Age 65 Retiree Health Insurance) when the employee reaches age 55 if the employee is enrolled in a group health plan coverage from the date of his/her termination from City employment until the employee's 55th birthday. If for any reason the employee has a lapse in group health care coverage the employee forfeits his/her eligibility for the retiree health plan benefits upon reaching age 55 and the City has no further obligation to provide any benefits under this section to the employee and/or his spouse or domestic partner.

30.7 Employees Retiring with a CalPERS Approved Disability Retirement

If an employee retires from the City before age 55 with a CalPERS approved disability retirement, the employee will retain eligibility for the retiree medical benefits provided in subsection 30.3 (Pre Age 65 Retiree Health Insurance) when the employee reaches age 55 if the employee is enrolled in a group health plan coverage from the date of his/her termination from City employment until the employee's 55th birthday. If for any reason the employee has a lapse in health care coverage the employee forfeits his/her eligibility for the retiree health plan

benefits upon reaching age 55 and the City has no further obligation to provide any benefits under this section to the employee and/or his spouse or domestic partner.

30.8 City Funding of Retiree Health Benefit

City contributions to the retiree medical benefit will begin on July 1, 1998. Funding of this benefit will be set aside in a trust to be established by the City.

Effective with the 1998-2002 Memorandum Agreement, the retiree medical benefit was funded by a charge of 0.25% of payroll in each year of this Agreement, so that contributions are at 1% of the payroll in the fourth year of that Agreement. The City will fund the benefit at approximately 1% of the payroll for every year thereafter with the intent of achieving a funding level of 70% after 30 years. The funding will be ongoing to maintain a 70% funding level thereafter.

Effective July 4, 2004, except for employees in Representation Unit R-1, an additional charge of 0.25% of payroll was charged each year in the final four years of the 2002-2008 Agreement so that contributions are at 2% in the final year of that Agreement. The purpose of that 1% increase in payroll contribution was to fund post age 65 Medicare supplement plans. As a result of this change, the amount the City contributes toward the post-65 Medicare Supplement coverage under the Retiree Health Premium Assistance Plan is \$77 effective July 7, 2002 for all post 65 retirees formally represented by the union as well as future retirees.

Effective July 1, 2008, for eligible retirees between the ages of 55 and 65 who retire on or after June 29, 2008 the amount the City contributes toward payment of the health care premium cost for the Retiree Health Premium Assistance Plan will increase by \$50 per month in addition to the 4.5% that occurs on July 1 as provided in Section 30.3 (Pre Age 65 Retiree Health Insurance). Effective July 1, 2009, the amount the City contributes toward payment of the health care premium cost for the Retiree Health Premium Assistance Plan will increase by an additional \$25 per month (i.e., an aggregate \$75 per month increase) in addition to the 4.5% that occurs on July 1 as provided in Section 30.3 (65 Retiree Health Insurance). Effective July 1, 2011, the amount the City contributes toward payment of the health care premium cost for the Retiree Health Premium Assistance Plan will increase by an additional \$25 per month (i.e., an aggregate \$100 per month increase) in addition to the 4.5% that occurs on July 1 as provided in Section 30.3 (Pre Age 65 Retiree Health Insurance).

The Union understands and acknowledges that the City conducted an actuarial study to determine the percentage of payroll it needed to set aside each year and the rate of return of 7% it must achieve to fund the retiree health benefit provided in this section. The City will conduct an actuarial study by an outside actuary of the retiree medical plan prior to June 30, 2002. After that time, the City will conduct an actuarial study by the outside actuary of the retiree medical plan every two to three years to review the funding status of the program. The outside actuary will be selected by mutual agreement of the parties. The Union and City agree that if

the Actuary concludes that the City's funding of this benefit by contribution of 1% of the payroll for all miscellaneous employees is insufficient to fully fund the retiree medical benefits, the City shall not be required to increase its funding for this benefit to more than 1% of the payroll for miscellaneous employees. In the event that there are insufficient funds in the trust to cover all retirees' monthly health premiums, the City and the Union agree to meet and confer regarding the City's distribution of its 1% contribution.

The City shall include in its next actuarial request in preparation of the next successor contract negotiations the impact on the City if the City were to amend its Retiree Health Premium Plan V to provide the following benefit levels:

Single:	\$577.32
Single and Dependent:	\$577.32
Single + (spouse, domestic partner):	\$1154.00

SECTION 31: PROBATIONARY PERIOD

Probationary employees who are granted military leaves of absence shall complete the balance of their probationary period within a period of six (6) months following their return to City service. No provision of this Section 31.1 (Duration) shall be interpreted to preclude the City from establishing new classifications which may require a probationary period of more than six (6) months.

The probationary period for employees hired in one of the following classifications shall be nine (9) months (and a minimum of 1560 hours) of actual service for full-time employees, and nine (9) calendar months of actual service for part-time employees (and a minimum of 780 hours for ½ time employees, 1170 hours for ¾ time employees, etc.) except as provided in Section 31.3 and may be extended as provided in Section 31.5 (Extension of Probationary Period for Classifications Covered by Section 31.2 – Nine (9) Month Probationary Period).

31.3 Six (6) Month Probationary Period

For the promotional appointment of a career employee to a non-supervisory position that is part of the normal promotional ladder for that position, the probationary period shall be six (6) months of actual service (and a minimum of 1,040 hours), six (6) months of actual service for part-time employees (and a minimum of 520 hours for ½ time employees, 780 hours for ¾ time employees, etc.) except as provided in Section 32.4 (Extension of Probationary Period for Classifications Covered by Section 32.1 – Duration). No position shall have a longer probationary period than the probationary period applicable to the position that supervises that position.

31.4 Extension of Probationary Period for Classifications Covered by Section 31.1

For employees hired into positions covered under Section 31.1 (Duration) the Department head may extend the probationary period during the fifth or sixth month of a six (6) month probationary period from six (6) to nine (9) months provided that written probationary period evaluations have been given to the employee and filed with the Director of Human Resources no later than forty-five (45) days after the second and fourth months and these evaluations include statements of where the employee's performance needed improvement or which essential duties of the position the supervisor had not yet been able to evaluate.

31.5 Extension of Probationary Period for Classifications Covered by Section 32.2

For employees hired into positions covered under Section 31.2 (Nine (9) Month Probationary Period), the Department head may extend the probationary period during the seventh or eighth month of a nine (9) month probationary period from

nine (9) to twelve (12) months provided that written probationary period evaluations have been given to the employee and filed with the Director of Human Resources no later than forty-five (45) days after the third and sixth months and these evaluations include statements of where the employee's performance needed improvement or which essential duties of the position the supervisor had not yet been able to evaluate.

31.6 Promotion or Provisional Appointment Prior to Completing Probationary Period

Unless applying for a closed examination, an employee does not have to complete the probationary period as a prerequisite for promotion. If, before completing the required probationary period, an employee is provisionally appointed to a higher class in the same or a related series of classes, the time served in such higher class shall be counted toward completion of the probationary period in the lower class.

31.7 Probationary Performance Evaluations

The City shall give probationary employees written, bi-monthly, probationary period evaluations in order to advise the employee of their performance. If the service of the probationary employee has been satisfactory to the Department Head, the Department Head shall file with the Director of Human Resources a statement in writing to such effect and stating that the retention of such probationer in the service is desired. If such service has been unsatisfactory, the Department Head shall file with the Director of Human Resources such a statement, in writing, with the recommendation to the City Manager/Board of Library Trustees that the employee be discharged. The provisions of this section shall in no way limit the rights of the City under Section 31.8 (Rejection During Probationary Period).

31.8 Rejection during Probationary Period

During the probationary period, an employee may be discharged at any time without right of appeal or hearing in any manner, except that appeal may be had in accordance with Section 37 (Grievance Procedure), if it is alleged that the discharge was in violation of Section 3 (No Discrimination). An employee rejected from a position to which the employee has been promoted shall be reinstated to the position from which the employee was promoted unless charges are filed and the employee is discharged as provided in Section 38.6 (Discharge).

31.9 Exception to Probationary Period

Employees reclassified as a result of a desk audit shall not be subjected to a new probationary period provided the employee has performed those duties for one year or more and has not received an unsatisfactory evaluation during that period.

SECTION 32: TRANSFER

The Human Resources Department shall maintain a list of career employees who are interested in transfer. Prior to filling a vacancy with a new (probationary) employee, the Department Head shall consider qualified employees on the transfer list. No employee shall be transferred to a position for which the employee does not possess the minimum qualifications. An employee with permanent status who is transferred from one class to another class shall assume permanent status in the class to which the employee is transferred.

Prior to outside recruiting, vacancies will be announced for two (2) weeks by notices in ***Berkeley Matters***, on bulletin boards and by notice to departments.

SECTION 33: PROMOTION

33.1 Filling of Vacancy

Insofar as practicable and consistent with the best interests of the service, all vacancies in the competitive service shall be filled by promotion from within the competitive service, after a promotional examination has been given and a promotion list established. Consistent with City of Berkeley Personnel Rules, each candidate for promotion must be either a permanent employee in the competitive service or a former permanent employee on an active mandatory layoff Reemployment List and must possess the minimum qualifications as set forth in the specifications of the class to which promotion is sought. The right to compete in a promotional examination in a specific classification series is not limited to employees in the bargaining unit.

33.2 Open, Competitive Examination

If, in the opinion of the City Manager, or for Library positions the Director of Library Services, or for Rent Board positions the Executive Director of the Rent Board, the best interests of the service can be served by an open, competitive examination instead of a closed, promotional examination, and if there is not already a valid promotional list for the higher position, from which the vacancy could be filled, then the City Manager, or for Library positions the Director of Library Services, or for Rent Board positions the Executive Director of the Rent Board, may instruct the Director of Human Resources to call for applications for the vacancy and arrange for an open, competitive examination and for the preparation and publication of an eligibility list.

33.3 Interview of City Employee

A City employee who is on a closed promotional or an open competitive list shall have the option to interview for the vacancy. A City employee who is unsuccessful and who so requests shall be advised of steps s/he may take to increase her/his competitive standing for future promotional opportunities.

33.4 Promotional Considerations

Employees who have qualified for promotional lists shall be considered for promotion based on the following factors: previous work performance, previous training and experience, merit, ability, and seniority.

33.5 Employees concerned with promotion should also refer to Sections 10.4 (Temporary Vacancy), 10.5 (Maximum Consecutive Temporary Appointment), 10.7 (Working in Higher Classification), 10.9 (Notification of Change in Classification Duties and Responsibilities), 10.11 (Desk Audits), 40.4 (Annual Performance Evaluation), 40.5 (Employee Development and Training Opportunities), 40.6 (Educational Leave) and 40.12 (Internships).

33.6 Waiver of Minimum Qualifications

If in the opinion of the City Manager, the City is facing staffing reductions which will result in displacement of employees, a waiver of minimum qualifications and/or the substitution of related experience and education may be made in promotional examinations, with an understanding on the part of management and supervisory personnel that adequate on-the-job training which can be completed within no more than one year, will be provided to facilitate job adjustment and to compensate for the waiver of qualification standards if that has occurred. The promotional recruitment announcement will state that minimum qualifications may be waived providing the applicant's experience and education demonstrates her/his on-the-job development potential, as stated above. In promotional appointments where the minimum qualifications have been waived, the probationary period will be one year to allow the employee time to demonstrate development of the necessary job knowledge and skills.

SECTION 34: FILLING OF VACANCIES

All career and temporary vacancies of 90 days or more shall be announced in ***Berkeley Matters***, on bulletin boards and by notice to departments, and a copy of ***Berkeley Matters*** shall be made available to all employees.

SECTION 35: RESIGNATION

An employee wishing to leave the competitive service in good standing shall file with the Department Head, at least two (2) weeks before leaving the service, a written resignation stating the effective date and reasons for leaving. The resignation shall be forwarded to the Director of Human Resources with a statement by the Department Head as to the resigned employee's service performance and other pertinent information concerning the cause for resignation. Failure of the employee to give the notice required shall be entered on the service record of the employee, and may be cause for denying future employment by the City. The resignation of an employee who fails to give notice shall be reported by the Department Head immediately.

The City will discontinue use of the "would not recommend rehire" box on transaction forms.

SECTION 36: REINSTATEMENT

A permanent or probationary employee who has resigned with a good record may be reinstated within three (3) years to the employee's former position, if vacant, or to a vacant position in the same or comparable class without further competitive examination. This section shall not be interpreted as a guarantee of reinstatement to an employee who has resigned with a good record and who requests reinstatement within three (3) years.

An employee who is reinstated under this Section who has completed probation in the classification to which the employee is being reinstated shall not serve a probationary period on reinstatement. An employee who is reinstated under this Section who has not completed probation in the classification to which the employee is being reinstated shall be required to serve a new probationary period on reinstatement. The duration of the probationary period determined by the classification and the provisions of Section 31(Probationary Period) of this Agreement.

Within ten (10) days of receiving the written grievance, the grievant shall be entitled to a personal conference with the Division Manager if requested. Other than issues of Contract Interpretation and Past Practices, Compensation or EEO, within ten (10) days, the Division Manager shall communicate a

written decision to the grievant and the Union with a copy to the Director of Human Resources and the Department Director. Such action will terminate Step 1.

- 37.3.2.3.1 **Compensation:** In the case of issues of compensation, the Director of Human Resources or his/her designee shall respond in writing within thirty (30) days of receiving the written complaint. In such cases, no adjustment shall be retroactive for more than thirty (30) calendar days from the date upon which the complaint was filed or thirty (30) calendar days from the date when an employee and/or the Union may reasonably be expected to have learned of said claimed violation. Only complaints which allege that employees are not being compensated in accordance with the rules, regulations, and resolutions of the City Council or in accordance with the understanding contained in any Agreement which has resulted from the meeting and conferring process shall be considered.

Any other matters of compensation are to be resolved in the meeting and conferring process, and, if not detailed in the operative Agreement which results from such meeting and conferring process, shall be deemed withdrawn until the meeting and conferring is next opened for such discussion.

- 37.3.2.3.2 **EEO:** Discrimination complaints shall be processed in accordance with the EEO Complaint Investigation and Resolution procedure of the City of Berkeley EEO/Affirmative Action Program (attached herein as Appendix B) except that:

- 37.3.2.3.2.2 The Equal Employment Opportunity and Diversity Officer shall meet with and report to only the City Manager during the formal resolution process; and
- 37.3.2.3.2.3 The City Manager shall make the final decision on the complaint which may be appealed by the Union to an impartial arbitrator within ten (10) days of receipt by the Union of the City Manager's decision. Such an appeal shall be processed in accordance with the above defined grievance procedure of this Agreement. The City shall promptly notify the Union of the filing of all formal complaints, as well as their acceptance or rejection.

The City Manager or his or her designee will notify the Union of a proposed decision on a formal complaint, and the reasons therefore, and upon a request within ten (10) days, shall meet with the Union prior to issuing a final decision.

If a grievance also alleges a violation of another section of the contract in addition to Section 3 (No Discrimination), Section 37.3.2.3.2. shall apply only to that part of the grievance which alleges a violation of Section 3 (No Discrimination) unless otherwise mutually agreed.

Complaints challenging, disputing, or seeking to modify or change any policy component of the City's EEO/Affirmative Action Program, including but not limited to the assignment of responsibilities, workforce utilization analysis, and affirmative action goals and timetables, shall not be subject to the grievance/arbitration procedures of this Agreement. This in no way limits the right of the Union to grieve violations of the City's EEO/Affirmative Action Plan.

37.3.2.3.3 Interpretation and Past Practice: In the case of issues of interpretation of the Agreement, past practices, payment of compensation or violations of Section 3 (No Discrimination) of the Agreement (Discrimination, etc.), if the grievant is not satisfied, s/he may move the complaint directly to Step 3 of this grievance procedure.

37.3.3 Formal Process: STEP 2 – Department Director

Within ten (10) days of receiving the written grievance, the grievant shall be entitled to a personal conference with the Department Director or his/her designee if requested. Within ten (10) days of the personal conference, the Department Director or his/her designee shall communicate a written decision to the grievant and the union with a copy to the Director of Human Resources. Such action will terminate Step 2.

37.3.4 Formal Process: STEP 3 – Grievance Appeal Officer:

37.3.4.1 **Complaints Filed With:** If the grievant is not satisfied with the results rendered in Step 2 for general grievances and Step 1 for issues of Contract Interpretation and Past Practice, Compensation or EEO, the grievant may appeal the decision in writing to the applicable Grievance Appeal Officer with a copy to the Department Director, the Director of Human Resources and the union.

Provided further that the Union shall forward to the City the Union's portion of the California State Mediation and Conciliation

Services (CSMCS) fee within sixty (60) days of receipt of the City Manager's response. Failure by the Union to meet either the thirty (30) day or sixty (60) day deadline for both referral to Arbitration and payment of the CSMCS fee shall be deemed as a full and complete waiver by the Union to appeal the City Manager decision to Arbitration and the City Manager decision shall be final and binding on all parties.

- 37.3.5.3 **Process:** The impartial arbitrator shall be selected from the California State Mediation and Conciliation Services (CSMCS) unless another party is mutually agreed upon. CSMCS will provide a list of five (5) arbitrators. The City and the Union will alternately strike a name until one remains. The remaining name will be the arbitrator. The cost of the arbitrator's decision shall be borne equally by the parties.

The arbitrator may hear testimony, receive written briefs, interview witnesses, and conduct any investigations she or he deems appropriate, and shall render a final and binding decision to the parties which will end the formal grievance process.

No Arbitrator shall entertain, hear, decide or make recommendations on any dispute involving a deposition over which a formally recognized employee organization has jurisdiction unless such dispute falls within the definition of a grievance as specified in this Section.

Proposals to add or to change the Agreement or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate the Agreement, nor any matter or subject arising out of or in connection with such proposal may be referred to arbitration under this Section; and neither any Arbitrator shall have the power to amend or modify or recommend amendment or modification of the Agreement, or any written agreements or addenda supplementary hereto or to establish or recommend establishment of any new terms and conditions of employment.

No changes in this Agreement or interpretation thereof (except interpretations resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the City Manager and the Union.

37.3.6 General Conditions of a Formal Grievance

- 37.3.6.1 **Union Representation:** The grievant shall be entitled upon request to representation by the Union at all levels of the grievance procedure. In situations where the Union has not been requested to represent the grievant, the City will not agree to a final resolution of the grievance until the Union has received a copy of the grievance and the proposed resolution, and has been given the opportunity to respond and state its view on the matter. The Union will be given ten (10) days in which to respond.
- 37.3.6.2 **Time Limits:** Failure by the Union to file or appeal a grievance within the time limits specified constitutes a dropping of the grievance. Failure by the City to respond by the specified times shall entitle the Union to move the matter to the next higher step of the grievance procedure. If both parties agree, the time limits may be waived for a specific period of time at any step in this procedure.
- 37.3.6.3 **Witnesses:** The City and / or the grievant may call witnesses.

The City

Manager or his or her designee shall hear the appeal. In the Library, the Board of Library Trustees may designate the Director of Library Services or other designee as the Discipline Appeal Officer.

For Suspensions of Three (3) Days or Less: If the employee or his or her Union do not appeal the decision of the Department Director or his or her designee resulting from Step 1, the disciplinary action shall be implemented in accordance with the provisions of Section 38.5 (Suspension) and the Disciplinary Appeal Procedure will end here.

For Disciplinary Action of Suspensions of Greater than three (3) days or Discharge: If the employee or his or her Union do not appeal the Skelly action rendered by the Department Director or his or her designee resulting from Step 1, the disciplinary actions involving suspension greater than three (3) days, salary reduction or discharge will be referred to the City Manager/Director of Library Services for review. The City Manager/Director of Library Services may review or modify the Skelly action rendered by the Department Director. Such notice shall be issued within ten (10) working days of receipt of the Department Director Skelly action. The Discipline Appeal Officer will hold a meeting and issue a decision as provided in Section 38.8.4.3 below.

38.8.4.2 Filing Period: Said appeal must be filed in writing within ten (10) working days of the conclusion of Step 1 above; and must contain the Notice of Intent, the written Skelly decision of the Department Director or designee and all other correspondence exchanged from the start of the original recommended action and Step 1 activities.

38.8.4.3 Process: The Discipline Appeal Officer receiving an appeal of a proposed skelly action shall hold a meeting with the employee and his or her Union representative. The appeal meeting must be held with the employee and his/her Union within ten (10) working days of receiving the written appeal. The Discipline Appeal Officer shall issue a written decision sustaining, modifying or rejecting the discipline within ten (10) working days after the completion of the appeal meeting with the affected employee and/or the receipt of the written appeal. 38.8.5.2 Filing Period: Such notification of desire to go to arbitration must be filed in writing with the City Manager within thirty (30) days of the conclusion of Step 3 with a copy to the Director of Human Resources. Provided further that the Union shall forward to the City the Union's portion of the California State Mediation and Conciliation Services (CSMCS) fee within sixty (60) days of receipt of the City Manager's response. Failure by the Union to meet either the thirty (30) day or sixty (60) day deadline for both referral to Arbitration and payment of the CSMCS fee shall be deemed as a full and complete waiver by the Union to appeal the City Manager decision to Arbitration and the City Manager decision shall be final and binding on all parties.

38.8.5.3 Process: The impartial arbitrator shall be selected from the California State Mediation and Conciliation Services (CSMCS) unless another party is mutually agreed upon. CSMCS will provide a list of five (5) arbitrators. The City and the grievant will alternately strike a name until one remains. The remaining name will be the arbitrator.

The arbitrator may hear testimony, receive written briefs, interview witnesses, and conduct any investigations she or he deems appropriate, and shall render a final and binding decision to the parties which will end the formal disciplinary appeal process.

The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the employee (or his or her Union) and the City. Each party, however, shall bear the cost of its own presentations including preparation and post-hearing briefs, if any. Arbitrator decisions on matters properly before them which pertain to the disciplinary actions involving the suspension, demotion, pay reduction, or discharge of an employee shall be final and binding on both parties.

- 38.9.3 **Witnesses:** The City and/or the appellant may call witnesses.
- 38.9.4 **Release Time:** If an employee covered by this Agreement gives testimony in connection with the disciplinary appeal procedure during working hours, the employee shall suffer no loss of pay. If modification of that position does not serve the best interests of the City, other classifications may be considered, subject to the approval of the Director of Human Resources. Compensation will be provided at the level of the classification in which the temporarily disabled employee works during the disability. The employee must meet standards of satisfactory performance for the duration of the work assignment.

- 39.7.3 **Pregnancy Related Modified Duty:** In the case of a medically certified pregnancy related disability, in which the normal duties clearly threaten the health and safety of the employee or the unborn child, the Human Resources Department will endeavor to place the employee in a position which best serves the interest of the City, with no loss of pay, but in no event will such placement exceed 5 months in duration.

39.8 State Disability Insurance Integration

Except as provided in Section 39.8.3 below, any employee who is absent due to personal illness for more than 7 calendar days (or for any period of time if hospitalized) may apply for State Disability Insurance (SDI) benefits.

After such employee has been absent from work due to personal illness for six workdays, the City shall integrate the employee's pay with the employee's State Disability benefits in the following way:

- 39.8.1 The City will determine the weekly SDI benefit amount based on the amount of wages earned with the City of Berkeley in the SDI base period.
- 39.8.2 The weekly SDI benefit will be subtracted from the employee's normal weekly wages and the amount necessary to bring the total of State Disability plus wages to 100% will be deducted from any accumulated sick leave, vacation leave and compensatory time available to the employee. The integrating with vacation leave and compensatory time is optional but will be automatically implemented after sick leave has expired unless written notification is received from the employee as discussed below.
- 39.8.3 Any employee may choose not to apply for State Disability Insurance but it is his/her responsibility to notify the departmental payroll clerk of this fact, in writing, to stop sick leave integration. ARTICLE 7 – RECREATION ACTIVITY LEADERS AND SPORTS OFFICIALS

SECTION 40: RECREATION ACTIVITY LEADERS AND SPORTS OFFICIALS

The parties recognize and acknowledge that Representation Unit R-2 employees are temporary, non-benefited, non-career employees without properties rights or an expectation of continued employment.

40.1 Final Conversion of Last Two (2) Full-Time Recreation Activity Leaders

Effective the first quarter of the fiscal year 2017, the following shall occur:

1. City will offer two (2) full-time positions in the classification of Recreation Activity Leader (R-1) in order of seniority and paid status;
2. If employee declines full-time position offered, the City is no longer obligated to offer that R-1 employee full-time employment;
3. If two (2) full-time positions are filled, any of the remaining four (4) who were not offered the full-time position shall be grandfathered into their position (hours and benefits).

40.2 Scheduling for Representation Unit R-1 Employees

- 40.2.1 **Rolling Quarterly Schedule:** The City shall post a quarterly schedule of recreation services and programs for Unit R-1 employees. The schedule shall include work hours and job assignments for R-1 employees only. Copies of all schedules shall be provided to the Union President when they are posted.
- 40.2.2 Each seven (7) day workweek shall have 2 consecutive days off.
- 40.2.3 Hours in a work day will not be split into two or more segments that are separated by more than an unpaid lunch hour unless such split is the result of Union release time or department mandated training that cannot be scheduled without resulting in a split shift. The City will make reasonable effort to limit split shifts for training purposes to no more than one (1) time per month.
- 40.2.4 The aforementioned limitations on R-1 Work Scheduling may be waived by mutual agreement between the employee and the supervisor.
- 40.2.5 The City will adjust the benefit pro-ration for employees in Representation Unit R-1 based on the Rolling Quarterly Work Schedule of assigned hours and on the known and anticipated adjustment of hours during the quarter if less than full-time equivalent.

40.2.6 Representation Unit R-2 Work Schedule

- 40.2.6.1 The work schedule for Representation Unit R-2 employee will not be split into two or more segments that are separated by more than an unpaid lunch hour unless such split is the result of Union release time or department mandated training that cannot be scheduled without resulting in a split shift. This limitation may be waived by mutual agreement between the employee and the supervisor.
- 40.2.6.2 Representation Unit R-2 employees are hourly, intermittent employees who can accept or reject hours.
- 40.2.6.3 The City agrees to provide each R-2 employee the opportunity to participate in a thirty (30) minute Union Orientation as part of the department's new hire summer training program. The Orientation date shall commence as designated by the department.

40.3 Changes in the Work Schedule

- 40.3.1 When the City compiles and establishes the Rolling Quarterly Work Schedule, the City will assign Representation Unit R-2 employees so that a Representation Unit R-1 employee's core work schedule does not change during the succeeding three months. Any changes in the posted schedule for an R-1 employee must be made at least 15 days in advance. Changes in an employee's posted schedule must meet one of the following criteria:
 - 40.3.1.1 A program is cancelled.
 - 40.3.1.2 The number of attendees at the program/event is less than originally planned and requires less staff than originally scheduled.
 - 40.3.1.3 A special event is scheduled after the Rolling Quarterly Work Schedule is posted and the City changes the schedule of an employee to cover the event. However, the change in the work schedule will not be made: 1) if the hours that the Representation Unit R-1 was originally scheduled to work are assigned to another employee, or 2) a less senior Representation Unit R-1 employee, a Representation Unit R-2 employee or a Sports Official is scheduled to cover the same hours in the same work site where the employee was originally scheduled to work.

40.4 Additional Hours

Additional hours are work hours which the City determines are needed due to added programs/events after the quarterly schedule has been posted or the absence of an employee which is known at least five (5) working days in advance

of the employee absence. Additional hours will first be offered to R-1 employees based on seniority provided that the employee is qualified to perform the work. In the event the work which is available involves a single program which occurs over a number of days, the employee who receives the additional hours must be available to work all the hours. If no R-1 employee is scheduled for the additional hours, the hours will be offered to R-2 employees. A qualified R-1 employee will be offered additional hours based on seniority; this does not imply that seniority gives an employee the right to choose between two different programs offered as additional hours at the same time. An R-1 cannot be scheduled for additional hours that would require a modification to the employee's core schedule.

40.5 Reduction/Elimination of Representation Unit R-2 Hours

When a Representation Unit R-2 employee's hours are reduced or eliminated for any reason, the employee and a Union Representative (steward, Chapter Officer or Union staff member) shall have the right to a meeting, upon his or her request, as soon as practical, with the Division Chief responsible for approving the actions of the supervisor who reduced/eliminated the hours.

40.6 Representation Unit R-2 Additional Compensation

Effective June 29, 2008, Representation Unit R-2 employees shall be paid the equivalent of twenty (20) hours pay at the employee's regular hourly rate for each five hundred twenty (520) hours worked.

SECTION 41: R-1 AVAILABILITY TO WORK SCHEDULED HOURS

If a designated career part-time employee in Unit R-1 is consistently not available for regularly scheduled assigned hours, said employee may agree to a demotion into R-2, may resign and/or may be disciplined and thereby may be replaced with the most senior qualified employee who can accept those hours. This provision shall not apply if an employee is on an authorized leave (i.e., sick leave, workers' compensation, vacation, etc.).

SECTION 42: ATTENDANCE AT MEETINGS

42.1 Staff Meetings

The Union may appoint one (1) employee in each Center who shall be allowed to attend, with pay, quarterly full-time staff meetings held with the Recreation and Youth Services Manager, and such other staff meetings to which the appointed employees may be invited by the Recreation and Youth Services Manager. The Union may appoint one (1) employee from each Center who shall be allowed to participate in Center budget planning recommendations to be transmitted to the City Manager's Office.

SECTION 43: WEATHER CONDITIONS**43.1 Notification when Conditions Known**

When weather conditions are such that prior to the start of scheduled outdoor activities it is known that these activities will be canceled, the employee shall telephone the Center Supervisor to ascertain the need for the employees services in productive alternative work.

43.2 Notification when Conditions are Unknown

When weather conditions develop after the start of scheduled outdoor activities which necessitate their discontinuation, the employee shall make an immediate assessment of the availability of alternate indoor space at the location involved and consider the productive uses to which such space can be devoted. In the event both space availability and program warrant, the employee shall then contact the Center Supervisor by telephone, specifying the proposal for the continuation of work.

43.3 Management Discretion

Under either situation set forth above, the decision to proceed with the work of the employee shall be at the discretion of the Center Supervisor, which shall be reasonably exercised.

SECTION 44: SUMMER WORK SCHEDULE

During the summer season (June 15 - August 15) the following shall apply in the operation of the City's summer recreation programs:

44.1 Offer of Jobs/Hours

New, additional or vacant recreation jobs or hours shall be offered to career, benefited Recreation Activity Leaders (RALs) and Sports Officials (SOs) who meet specific written qualifications and who may accept such work, so as to allow each career RAL and SO that so chooses to work up to 40 hours per week.

SECTION 45: OVERNIGHT EXCURSIONS

Recreation workers who participate in overnight excursion will flex their schedule, if possible, to maintain a 40-hour workweek. If they are unable to flex, they will be paid overtime or compensatory time consistent with state law.

SECTION 46: LABOR/MANAGEMENT COMMITTEE

The City and the Union agree to create a joint Labor/Management Committee consisting of four (4) union and four (4) City representatives to discuss PTRLA to keep lines of communication open and to discuss the issues set forth in Section 40 (Recreation Activity Leaders and Sports Officials). The joint labor management committee will meet on a monthly basis or less frequently if mutually agreed by the parties.

Effective July 3, 1994, contributions made pursuant to this section shall be reported to PERS as "special compensation" as provided in Government Code Section 20636(c)(4) pursuant to Section 20691. Said contributions shall not apply in the case of temporary or provisional employees.

The aforesaid contribution shall not be considered as a part of an employee's salary for the purpose of computing straight time earnings, compensation for overtime worked, or education incentive pay; nor shall such contribution be taken into account in determining the level of any other benefit which is a function of or percentage of salary. The City reserves the right to take said contribution into account for the purpose of salary comparisons with other employees.

The City will not treat these contributions as compensation subject to income tax withholding unless the Internal Revenue Service or Franchise Tax Board indicates that such contributions are taxable income subject to withholding. Each employee shall be solely and personally responsible for any federal, state or local tax liability

of the employee that may arise out of the implementation of this section or any penalty that may be imposed therefore.

47.6 New Members Payment of Normal Cost

Such employee deductions by the City shall be used towards the City's CalPERS required contributions.

47.9.2 If legislation is enacted requiring employees under the CalPERS retirement system to pay all of the employee's share of retirement, thus eliminating the EPMC, the parties agree as soon as possible to convert the employee's contribution to the employer's share under this 20516 CalPERS contract amendment to the employee's share towards retirement and the City will continue to pay the wage increase as described in Section 9.1.6 (maximum of 5.58%) associated with this cost neutral provision.

Such employee deductions by the City shall be used towards the City's CalPERS required contributions.

47.10.3 The parties recognize that the CalPERS 20516 employee contributions towards the employer rate is in addition to the required 50% of the normal cost of "New Members" benefits and made in consideration of additional salary increases in Section 9.1.6 above (5.58% salary increase in exchange for employees paying eight percent (8.0%) towards PERS pension cost).

47.10.4 If legislation is enacted and becomes effective during this agreement requiring "classic members" as defined by PEPRA to pay all of the employees' share of retirement thus requiring the discontinuation of the

20516 employee contribution towards the employer rate as described in Section 47.9.2 above, the parties agree that as soon as possible the City shall convert the "New Members" eight percent (8.0%) contribution under the 20516 contract amendment to an equivalent payroll deduction. Such employee deductions by the City shall be used towards the City's CalPERS required contribution.

SECTION 48: PUBLIC AGENCY RETIREMENT SYSTEM

\$32,400 of salary paid in the calendar year) which had been paid by the City to Social Security as of December 31, 1982 to a Supplemental Retirement and Income and Long Term Disability Insurance Plan for those employees previously covered under the integrated CalPERS/Social Security Plan. ARTICLE 9 - LAYOFF PROCEDURE

SECTION 52: LAYOFF

This layoff policy for the City of Berkeley is intended to provide the maximum employment protection to the City staff should a layoff become necessary. The policy also aims to minimize the impact such a layoff might have on the City's affirmative action accomplishments.

52.1 Announcement of Layoff

- 52.1.1 The City Council, City Manager, and Department Head shall make every reasonable effort to manage and budget the City's resources effectively and to plan for the delivery of City services in a manner which will avoid the necessity to lay off career City employees. If a reduction in the work force is necessitated by, but not limited to, the following: a material change in duties and organization, adverse working conditions, return of employee from leave of absence, or shortage of work or funds, the City Manager shall notify the Director of Human Resources of the intended action and the reason for the layoff.
- 52.1.2 Immediately following a decision which may involve the potential layoff of career City employees, the City Manager shall freeze all current City vacancies in the competitive service in similar and related classifications to those likely to be targeted for layoff, as well as all related full-time, benefited, temporary positions which are expected to last six (6) months or more, and shall notify the Department Heads that such current and anticipated vacancies will be frozen until further notice in order to implement the provisions of Sections 52.4 (Employee Retreat Rights/Out Placement) and 52.5 (Employee/Union Notification). In notifying Department Heads of a freeze required by this section, the City Manager shall require that requisitions continue to be submitted for any budgeted positions which the Department intends to fill and for which funding is available.
- 52.1.3 After the City has announced the need for a reduction in force, including the magnitude of such reduction, and has informed employees of their prospective layoff or retreat, but before any actual layoff, the City will consider employee requests for the alternative action, including job sharing.

for obligatory military service and approved family care leave while an employee of the City. Less than full-time service will be consolidated into equivalences of full-time service for the purpose of establishing the Seniority Service Date. - 52.2.2 The Human Resources Department shall maintain up-to-date and current Seniority Dates for all City employees holding probationary and permanent appointments.

52.3 Establishment of Seniority Lists

- 52.3.1 Whenever a layoff of one or more career employees becomes necessary, as defined above, such layoffs shall be made according to City-wide classification Seniority Lists. Upon receiving notification that the City Manager must proceed with a possible reduction in the work force, and following receipt of information concerning the specific positions, programs, and departments involved, the Human Resources Department will immediately establish separate Probationary and Permanent Seniority Lists for each classification targeted for layoff.

- 52.3.2 The names of all City employees holding permanent and probationary appointments in a given classification will be on the appropriate list in descending order by Seniority Service Date. Employees on both lists shall be laid off on the basis of their Seniority Service Date, i.e., employees with the least amount of total service shall be laid off first. All emergency, temporary, and provisional employees working in classifications similar to those identified for layoff must be terminated prior to the layoff of probationary or permanent employees. Employees on the Probationary Seniority List for a specific classification will be laid off prior to employees on the Permanent Seniority List for that class.

- 52.3.3 Probationary or permanent employees temporarily acting out of classification and holding a provisional appointment in another classification will be listed only on a Seniority List for the class in which they hold permanent or probationary status and which is targeted for layoff.

- 2.3.4 If two (2) or more employees on a Seniority List have an identical Seniority Service Date, the tie shall be broken in the following order:

- 52.3.4.1 Time in classification - the employees having least time in the class shall be released first;

- 52.3.4.2 By lot.

52.4 Employee Retreat Rights/Out Placement

- 52.4.1 Before an employee with permanent or probationary status may be released from employment with the City of Berkeley, the Human Resources Department must consider the employee's right to retreat to lower level classifications through which he or she was originally promoted, or any subsequently created intermediate level career classification which provides normal progression through the classification series. Retreat rights shall also extend to employees who have not previously been promoted through a classification but for whom the classification is a natural progression or beginning in the classification series.

In addition to providing the employee with the appropriate retreat offer, when it is determined to be in the best interest of the service, the City Manager may authorize the Human Resources Department to offer the affected employee the option of out placement. The out placement offer would provide a designated amount of funds to be paid to the employee for use by the employee for career development. The employee could either accept the retreat offer (offer to bump another employee) or accept the out placement offer. If the employee accepts the out placement offer, the employee forfeits his or her rights under the layoff policy and will be laid off without rights to re-employment.

- 52.4.2 In the process of retreating, the same rules concerning the length of service, classification, Seniority Lists, etc., apply as in the first stage of the layoff process. In order to retreat, the targeted employee must be higher on the Seniority List for the classification into which he or she is retreating than at least one of the incumbents on the probationary or permanent Seniority List for that class.
- 52.4.3 **Waiver of Minimum Qualifications:** The City Manager may consider a temporary waiver of minimum qualification standards where the employee, because of (a) changes to the minimum requirements of a previously held classification, or (b) changes to the minimum requirements of a subsequently created intermediate level career classification in the same classification series, no longer meets the minimum qualifications of the previously held or intermediate level classification. The temporary waiver of minimum qualification standards shall be subject to a twelve (12) month probationary period during which time the employee must meet the new minimum qualifications of the classification. The employee shall be subject to the provisions of Sections 31.7 (Probationary Performance Evaluations) and 31.8 (Rejection During Probationary Period) of this Agreement. Employees shall be advised of her or his progress in writing after three (3), six (6) and eleven (11) months in the classification. If at the conclusion of the probationary period, management determines that the employee is not

meeting the minimum qualifications of the position, then the employee shall again be subject to the layoff process. Management will ensure that the retreating employee will receive orientation and feedback during the probationary period.

- 52.4.4 If an employee is qualified for retreat into more than one classification with comparable salary ranges, or if a vacancy exists in a classification to which an employee is entitled to retreat, the Director of Human Resources shall discuss the options with the employee and due consideration shall be given to the employee's preferences. The Director of Human Resources shall then make a recommendation to the City Manager. However, it is the prerogative of the City Manager to determine the final placement offer to the employee.
- 52.4.5 **Salary Placement:** The retreating employee has a right to be retained in the highest salary range possible which is equal to or less than his/her present salary range. An employee involved in layoff does not have a right of mandatory placement in positions with a higher salary range, i.e., promotion.
- 52.4.6 **Reduction in Hours:** If an employee with a full time position is offered a reduction in hours in that position or in a lower classification, the employee may elect to be targeted for layoff for purpose of consideration under Section 52.6 (Flexible Placement Program/Out Placement) If there is no flexible placement available for the employee, the employee may accept the reduction in hours, in lieu of layoff.

52.5 Employee/Union Notification

- 52.5.1 Emergency, temporary, intermittent, seasonal, etc., employees shall be notified individually, in writing, of pending layoff as soon as possible. However, at least two (2) weeks notification is desirable if possible.
- 52.5.2 Provisional employees shall be notified individually, in writing, of pending layoff as soon as possible, with no less than fifteen (15) calendar days notification if targeted for release or reassignment.
- 52.5.3 Permanent, probationary, and career-exempt employees shall be notified individually, in writing, of pending layoffs as soon as possible, with no less than thirty (30) calendar days notification if targeted for release or reassignment.

If an employee fails to accept a bona fide offer of reassignment within ten (10) calendar days after the offer has been made, he/she forfeits further right to employment retention. Acceptance of a reassignment does not remove the right of appeal under Section 52.10 (Appeal Procedures).

All notices of layoff under Section 52.5 (Employee/Union Notification) shall be issued to the Union simultaneously with notice to the affected employee(s). Together with any layoff notices sent to the Union, a list shall be included of all vacancies which are authorized for filling.

52.6 Flexible Placement Program/Out Placement

52.6.1 In order to minimize the negative impact of a layoff, the City Manager will, as previously stated in Section 52.1.2 impose a City-wide freeze on all appropriate vacancies as soon as it has been determined that a layoff of career City employees may be necessary.

52.6.2 Following the release of all emergency, temporary, and provisional employees in classes similar to those targeted for layoff, and as soon as employees targeted for layoff have been identified and the provisions under Section 52.4 (Employee Retreat Rights/Out Placement) have been carried out, the Human Resources Department will review and identify the frozen vacant classifications into which employees ultimately targeted for layoff may be placed on the basis of total experience and education. In making this decision, a waiver of minimum qualification standards and/or the substitution of related experience and education may be made, with an understanding on the part of management and supervisory personnel that adequate supervised on-the-job training which can be completed within no more than six (6) months will be provided to facilitate job adjustment and to compensate for the waiver of qualification standards if that has occurred.

A training program shall be developed with the employee, the supervisor, and the Training Officer. The employee shall be advised of her/his progress in writing after two months, four months and six months in the new classification. If at the end of this time the employee is unable to adequately perform the assignment, then the employee shall be again subject to the layoff process.

52.6.3 In addition to providing the employee with the flexible placement offer, when it is determined to be in the best interest of the service, the City Manager may authorize the Human Resources Department to offer the affected employee the option of out placement. The out placement offer would provide a designated amount of funds to be paid to the employee for use by the employee for career development. The employee could either accept the flexible placement offer (offer to be flexibly placed in a vacant position) or accept the out placement offer. If the employee accepts the out placement offer, the employee forfeits his or her rights including, but not limited to, retreat rights, flexible placement and re-employment rights, under the layoff policy and will be laid off. All offers of out placement will be made in a manner to comply with general law and the affected employee will be

required to sign a waiver and release of all claims in consideration for receiving this benefit.

The City Manager, at his sole discretion, may approve outplacement payments in accordance with the Layoff Procedure at the rate of \$1,000 or 2% of annual salary; whichever is greater, for each full time equivalent year of City Service, up to a maximum of \$30,000.

- 52.6.4 Assignments under the Flexible Placement Program shall be limited to positions in the same or lesser salary range as the classification from which the employee is to be laid off, except that the City Manager may authorize the offer of a flexible placement to position with a maximum salary of no more than five (5) percent above the salary range as the classification from which layoff is targeted, when it is in the best interest of the City service to do so. Whenever flexible placement is made to a classification with a greater salary range, the appointment shall be probationary, in accordance with the terms of that classification.
- 52.6.5 All employees in classifications from which layoffs would otherwise be made shall be eligible to apply for flexible placement positions on a voluntary basis. Where more qualified employees apply under flex placement than are needed to prevent layoffs, each employee must be evaluated for his or her background (as opposed to classification) to determine whether the employee can assume full duties of flex placement within six months. The City will choose the applicants it considers best qualified to be offered the flex placement position. Where there are not enough volunteers for flexible placement, all employees slated for Layoff shall constitute the flexible placement pool of employees and offers to positions under the Flexible Placement Program shall be made as follows:
 - 52.6.5.1 The total experience and education for each employee slated for layoff is compiled.
 - 52.6.5.2 The employees slated for layoff are listed by order of seniority and placed in positions in order of seniority.
 - 52.6.5.3 The right to Flexible Placement shall remain in force for the duration of the re-employment list.
 - 52.6.5.4 All offers and placements made under this provision of the layoff policy shall be documented in detail, with records available for audit and review. Upon request, a written statement of the reasons for not offering an employee a particular position shall be made to the employee and/or the Union.

- 52.6.6 Offers to positions under the Flexible Placement Program shall be made according to Seniority Service Date and in accordance with the Probationary and Permanent Seniority List certification process outlined in Section 52.3 (Establishment of Seniority Lists) and in accordance with the following procedures:
- 52.6.6.1 Full-time vacancies authorized to be filled shall be listed in order from highest to lowest based on the actual maximum salary.
 - 52.6.6.2 Part-time vacancies authorized to be filled shall be included in the above list in order based on the actual monthly maximum salary for the hours involved.
 - 52.6.6.3 The individual with the earliest Seniority Service Date (SSD) targeted for layoff will be considered for flexible placement in the top position on the above list.
 - 52.6.6.4 If it is determined that the person with the earliest SSD is eligible and qualified for flexible placement in the top position on the list, the Director of Human Resources shall recommend to the City Manager that the employee be offered the position. If the City Manager approves the recommendation, the employee shall be offered the position.
 - 52.6.6.5 If the City Manager and/or Director of Human Resources determines that the employee is not eligible or not qualified for the top position, the Director of Human Resources shall proceed down the list of vacancies in an effort to identify the next highest position for which the employee is eligible and qualified for flexible placement. Upon identification of such a match, the Director of Human Resources shall recommend to the City Manager that the employee be offered the position.
 - 52.6.6.6 This above process shall be repeated until either a match is identified or the list of vacancies has been exhausted.
 - 52.6.6.7 The above process shall be repeated next for the employee with the second highest SSD, and, subsequently in order from earliest to most recent SSD for each other employee targeted for layoff.
- 52.6.7 If an employee fails to accept a bona fide written offer of an alternative job within ten (10) calendar days after the offer has been made, he or she forfeits further rights to employment retention. Acceptance or rejection of an alternative job under the Flexible Placement Program in no way jeopardizes an employee's standings on the Reemployment Priority Lists

on which his or her name has been placed in accordance with Section 52.7 (Reemployment Lists).

52.7 Reemployment Lists

- 52.7.1 The names of all probationary and permanent employees released from positions in the competitive service as a result of layoff must be placed on Reemployment Priority Lists for those classifications from which they were separated, as well as all other classifications to which they have retreat rights in accordance with Section 52.4 (Employee Retreat Rights/Out Placement).
- 52.7.2 A Reemployment Priority List shall remain in effect for three (3) years. Said list shall remain in effect indefinitely for employees who are retreated or flexibly placed and remain employed with the City. Except that eligibility for reemployment in seasonal positions shall not be in effect for more than one year.
- 52.7.3 Departments with vacancies in any classification for which there is an active Reemployment Priority List must use the Reemployment Priority List to fill their positions and may not use any other recruitment or appointment method to fill a vacancy until appropriate Reemployment Lists have been exhausted.
- 52.7.4 When a vacancy occurs in a class for which there is a Reemployment Priority List, the employee on the appropriate Reemployment Priority List with the highest Seniority Date shall be given the offer of employment with a copy sent to the Department Head. Employees so certified from the Reemployment Priority List must be appointed to the existing vacancy.
- 52.7.5 If a former employee fails to accept a bona fide written offer of reemployment to the class from which s/he was laid off within fifteen (15) calendar days, his/her name will be removed permanently from the Reemployment Priority List from which the offer was made unless the offer of reemployment is for fewer hours than his/her previous position. Failure to accept an offer of reemployment to the class with the highest salary range for which the employee is eligible for reemployment will result in automatic removal from all Reemployment Priority Lists. However, the employee may decline (or accept) temporary reemployment or reemployment to lower salary range classifications without jeopardizing his/her standing on the Reemployment Priority List for the classification from which s/he was originally terminated.
- 52.7.6 Upon reappointment to the classification from which the employee was originally separated or demoted, the employee has the right to be placed at

the step of the salary range which the employee held at the time of layoff or demotion.

52.8 Reinstatement List

52.8.1 Provisions of this Section 52.8 (Reinstatement List) shall be applicable only to unrepresented positions and positions represented by Unions and/or Associations which have incorporated identical language in their Memorandum Agreement and/or in formally executed Letters of Agreement.

52.8.2 Any former employee on a reemployment list shall be included on the reinstatement list for a specific class at or below the class from which s/he was laid off whenever s/he both:

52.8.2.1 meets minimum qualifications of the specific class and

52.8.2.2 has requested reinstatement in that class.

52.8.3 In order to permit reinstatement in another specific class of an individual who is on a mandatory reemployment list, minimum qualifications may be waived and On-the-Job Training (OJT) may be provided as specified under the Flexible Placement Program.

Such individuals shall be included on the eligibility list certified for a specific position and identified as eligible based on this provision.

52.8.4 Consideration for 53.8.2 and/or 53.8.3 would be based on a written request from an employee for reinstatement in that specific class; such request must include an updated City of Berkeley job application form.

52.8.5 ***Berkeley Matters*** shall be sent to all former employees on Reemployment Lists.

52.9 Career-Exempt Employees

Only those employees holding full-time, benefited exempt positions who, in the past, have achieved permanent status and have been continuously employed without a break in service between their career and exempt appointment, have the right to retreat to previously held career classifications, placement on the Reemployment Priority Lists, and all other provisions governing layoff procedures. For the purpose of layoff, such employees shall be referred to as "career-exempt".

52.10 Appeal Procedures

Any permanent, probationary, or career-exempt employee who is laid off, demoted, or reassigned as a result of layoff, who believes that the layoff procedure has been administered in violation of the terms of this Agreement, and those rules, regulations and resolutions which have been or may hereafter be adopted by the

City Council, as it pertains to the employee's case, may appeal the action under Section 37 (Grievance Procedure). In addition, employees may, at all times, before, during and subsequent to layoff, review all records, including Seniority Lists, Reemployment Priority Lists, documentation pertaining to appointments under the Flexible Placement Program, etc., which pertain to their classification and their rights under the provisions of the layoff policy.

52.11 Reclassification or Reallocation of Positions

Reclassification or reallocation of positions shall not be used as a mechanism, the sole purpose of which is to improperly circumvent the provisions of this Agreement, including provisions relating to layoff, transfer, demotion or promotion.

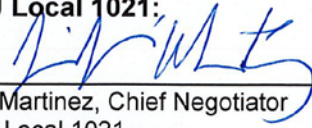

52.12 Audit

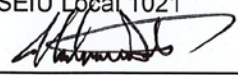

- 52.12.1 If it is determined that a vacancy has been filled by an employee not on the appropriate Reemployment Priority List in a classification for which a Reemployment Priority List existed and which included available applicants at the time, the former employee with reemployment rights shall be hired and given retroactive pay from the date that the vacancy occurred. The employee who was originally hired to fill the vacancy shall continue to be retained in City employment provided s/he has completed her/his probationary period.
- 52.12.2 In the event of a dispute between the Union and the City over the application of the Reemployment Priority Lists and if either party so requests, the City Manager's Office shall order an audit by an outside auditor of all vacant positions filled in each department, and authorized positions which have not been filled, to determine whether the vacancies occurred in classifications for which Reemployment Priority Lists were in existence, and, if so, whether the appointments made by the selecting official were in accordance with the procedures outlined in Section 52.7 (Reemployment Lists). In the event vacancies for which Reemployment Priority Lists were in existence remained unfilled, the auditor shall offer an opinion as to whether or not the reasons for leaving the positions vacant appear to be legitimate. A report of the audit must be transmitted to the City Manager, the City Council and the Union.

SEXUAL HARASSMENT POLICY (OCTOBER 10, 1986)

WHY SHOULD EMPLOYEES BE CONCERNED ABOUT SEXUAL HARASSMENT

The City has adopted an Affirmative Action and Equal Employment Opportunity policy that prohibits, not only obvious forms of discrimination based on race, sex, age, religion, color, sexual preference, national origin, ethnicity, handicap/disability, but also the more hidden or subtle forms commonly called Sexual Harassment. Specifically this policy states:

"The City of Berkeley affirms its commitment to enshrine an environment for all employees which is fair, humane and respectful; an environment which supports and rewards employee performance on the basis of relevant considerations such as ability and effort. Behaviors which inappropriately assert sexuality as relevant to employee performance are damaging to this environment.

The City of Berkeley deplores such conduct as an abuse of authority and thus it is an official City policy that sexual harassment of employees will not be tolerated."

SEXUAL HARASSMENT is detrimental to employee morale and productivity. This type of harassment is not to be tolerated, trivialized, or condoned in any City department or agency.

WHAT TYPE OF BEHAVIOR CONSTITUTES HARASSMENT

Harassment is defined as "to annoy continually or chronically; or to badger." Harassment includes ethnicity or sex based jokes, racial slurs and unwelcome teasing, posters or pictures hostile to or making fun of a specific class of people, unwanted physical or sexual contact and request for intimate relations. Behavior such as hazing or 'initiation,' which intentionally or unintentionally humiliates or intimidates can also be harassment. Action on the part of the supervisor or co-worker that conditions any employment decision upon an employee's tolerating any harassment or giving sexual favors is a violation of this policy as well as federal and state law.

CAN FRIENDLY INTERACTION AND/OR SEXUAL REFERENCES BE HARASSMENT?

There is a clear line in most cases between attractiveness to a particular person and unwelcome behavior or pressure for an intimate relationship. The positive exchange of the former situation is not going to be considered harassment; employees are free to form social relationships of their own choosing. However, when one worker is pursuing or forcing a relationship upon another who does not like or want it, regardless of friendly intent, the behavior will be considered harassment and should be stopped.

IF I'M BEING HARASSED -- OR THINK I AM -- WHAT SHOULD I DO?

First, be "up front," tell the person(s) harassing you that you do not like what they are doing and want them to stop. If you cannot do this by yourself, ask your supervisor or co-worker to be with you when you tell the harasser. You may also contact the Affirmative Action Officer for assistance or advice at any time.

WHY SHOULD I STOP BEING FRIENDLY TO SOMEONE JUST BECAUSE HE OR SHE THINKS I'M HARASSING THEM?

If someone tells you that they do not like something you are saying, stop the harassment immediately. Otherwise, you may face a lawsuit that can run several thousands of dollars in punitive damages (out of your pocket). You may also be subject to City discipline which could include dismissal. Additionally, harassing someone for "turning you in" is called retaliation and is against City policy, state and federal law.

ARE THERE PROTECTIONS AGAINST FALSE CHARGES?

Yes. This kind of situation is serious for everyone involved. The whole situation will be carefully reviewed before any action is taken. The best protection is keep all conduct free from behaviors that are inappropriate in a work environment.

WHAT RESPONSIBILITIES DO DEPARTMENT HEADS OR SUPERVISORS HAVE?

Department heads and supervisors have the responsibility to keep harassment out of their units and to maintain a "bias free" work environment. This means being aware of how people are treating each other and being responsive when issues of harassment are brought to their attention. The Equal Employment Opportunity and Diversity Officer is available to provide guidance, training and assistance as may be required.

IF THE HARASSER DOESN'T TAKE "NO" FOR AN ANSWER OR MY DEPARTMENT HEAD/SUPERVISOR DOES NOT HELP, WHAT THEN?

If the harasser will not stop the harassing actions and the Department Head/Supervisor is unresponsive, a complaint can be filed with the City Equal Employment Opportunity and Diversity Officer. This will be handled with as much confidentiality for all parties as is possible. If attempts to resolve the matter informally are not successful, a formal complaint will be required and confidentiality cannot be maintained. After a thorough review of the situation, recommendations will be made to correct or remedy the matter. You are encouraged to seek the assistance of the Personnel Office as soon as you feel a problem exists. You may call Personnel at 981-6811 for assistance. Complaints may also be filed with the California Department of Fair Employment Opportunity Commission.

6. Any corrective or preventative measures undertaken to resolve EEO problems and concerns identified in accordance with this procedure shall be entered into voluntarily by the City of Berkeley as part of its ongoing commitment to the provision of equal employment opportunity. Such action shall not be construed as an admission, nor shall such action imply, that the City of Berkeley engages in or ever has engaged in unlawful discrimination.
7. All investigation reports prepared in accordance with the provisions of the EEO Complaint Investigation and Resolution Procedure shall remain the sole property of the City of Berkeley, and as such shall be established and maintained as confidential material. Appendix C**CITY OF BERKELEY
ADMINISTRATIVE REGULATIONS****A.R. NUMBER: 2.4****EFFECTIVE DATE:** August 17, 1994**REVISED DATE:** June 5, 1995**PURPOSE:**

To set forth policy and procedure for the implementation and administration of Family Care Leave as required by the Federal Family and Medical Leave Act, and the California Family Rights Act, and to incorporate the separate City of Berkeley Parental Leave Policy under a comprehensive Family Care Leave program.

POLICY:

It is the policy of the City to extend the full benefits of family care leave to any permanent career employee who has a minimum of one (1) year career service with the City of Berkeley, and limited benefits to qualified temporary employees as defined herein. Employees eligible for parental leave shall be entitled to a maximum of one (1) year of leave for the birth or adoption of a child who is five (5) years of age or younger. Employees eligible for family care leave under state and federal law are eligible for twelve (12) weeks of leave for the birth or adoption of a child or for the placement of a child with the employee for foster care, to care for a family member with a serious health condition, or to care for the employee's own serious health condition. Leaves under this provision may not be combined to yield a larger amount of leave than the stated maximums. Time away from work on parental leave shall be deducted from the amount permitted for medical leave, and time away from work on medical leave shall be deducted from the amount permitted for parental leave.

PROCEDURE:**Parental Leave**

There are two types of parental leave described in this regulation. The first kind of parental leave is a one-year parental leave policy provided by the City of Berkeley's personnel rules and regulations. Not all City employees will qualify for this benefit. The second kind of parental leave is a twelve-week parental leave required by state and federal law which respectively are called the California Family Rights Act and the Family and Medical Leave Act of 1993. Some employees who do not qualify for the City's one-year parental leave policy may qualify under state and federal law for the twelve-week parental leave.

A. City of Berkeley Personnel Rules

1. Any employee with one (1) or more years of benefited employment with the City of Berkeley shall be entitled to up to one (1) year of parental leave as provided in the City's personnel rules as follows:
 - a. The birth of a child of the employee, or the adoption of a child who is five (5) years of age or younger by the employee.
 - b. Leave for the birth or adoption of a child must commence no later than thirteen (13) months from the date of birth or adoption and must conclude no later than twenty-five (25) months from the date of birth or adoption. Leave may begin before the date of birth or adoption upon presentation of medical certification of pregnancy, or the presentation of legal evidence of adoption. Leave may be taken intermittently upon mutual agreement between the employee and the department director.
 - c. Employees exercising their rights under this provision must provide the department director at least thirty (30) calendar days written notice prior to the anticipated commencement date of parental leave.
 - d. At the employee's option, the employee may be placed on authorized leave without pay or may be compensated during parental leave with his / her accumulated sick leave (up to a maximum of two hundred (200) days), and all other accrued leaves. Such accrued leave balances will be paid in the same manner as if the employee were absent due to illness or on vacation during the leave. Upon exhausting all employee designated leave balances, the employee will be on unpaid status for the remainder of the leave.
 - e. During approved parental leave, after all accrued leaves are exhausted, the City will maintain life and health insurance coverage for the duration of the parental leave subject to any regular participation requirement of the employee.
 - f. In the event both parents are employed by the City of Berkeley, both employees may take parental leave simultaneously if eligible.
 - g. Approved parental leave shall not be deducted from the employee's seniority service date.

B. State and Federal Law

1. Employees who are not eligible for the one-year parental leave benefit under the City of Berkeley's personnel rules may still qualify for up to twelve (12) weeks of parental leave in a twelve-month period under state and federal law. In addition,

while the City of Berkeley's one-year parental leave policy does not cover placement of a child with the employee for foster care, the state and federal law does provide leave for foster care. In order to qualify for parental leave under federal and state law, employees must have at least one (1) year of continuous service with the City and also have worked at least 1,250 hours in the twelve (12) months preceding the leave. This includes non-career hourly employees. Eligible employees may be entitled to a leave of absence of up to a maximum of twelve (12) weeks in a twelve-month period as follows:

- a. Upon the birth of the employee's child, the adoption of a child by the employee or placement of a child with the employee for foster care;
- b. Leave may begin before the date of birth, adoption or foster care upon presentation of medical certification of pregnancy, the presentation of legal evidence of adoption, or presentation of documentation requiring state action for foster care. Leave may be taken intermittently upon mutual agreement between the employee and the department director, but under no condition may intermittent leave extend the period of parental leave beyond the one (1) year period in which the maximum twelve (12) weeks of leave is permitted to be taken under state and federal law.
- c. Employees exercising their rights to parental leave under state and federal law must provide the department director at least thirty (30) calendar days written notice prior to the anticipated commencement date of parental leave. If the need is such that 30 days' notice cannot be provided, the request must be made as soon as possible.
- d. All parental leaves of absence under federal and state law are unpaid unless an employee has accrued leave. All accrued sick leave, vacation leave, compensatory leave, and/or administrative leave must be used before being placed on leave without pay.
- e. During an approved parental leave under federal and state law, the City will maintain life and health insurance coverage for the duration of the twelve-week parental leave subject to any regular participation requirement of the employee.
- f. In the event both parents are employed by the City of Berkeley, both employees may take parental leave simultaneously if eligible.
- g. Approved parental leave shall not be deducted from the employee's seniority service date.

Medical Leave

1. Eligible employees shall be granted medical leave as follows:

- a. Up to twelve (12) weeks of leave in a twelve-month period to care for a family member with a serious health condition, or to care for the employee's own serious health condition that prevents the employee from performing his / her job.
- b. For the purposes of this provision, a family member is defined as a biological child, adopted or foster child, stepchild, legal ward of an employee, biological parent, step-parent, adoptive parent, legal guardian, grandchild or grandparent in families where no parents are present, spouse or domestic partner. A serious health condition is defined as an illness, injury, impairment, or physical or mental condition requiring either inpatient treatment at a hospital, hospice, or residential care facility or continuing treatment by a health care provider that prevents the employee from performing his / her job.
- c. Employees exercising their rights under this provision must provide the department director at least thirty (30) calendar days written notice prior to the anticipated commencement date of medical leave. If the leave is unforeseen, the employee shall provide the department director written notice of leave as soon as is practicable. When medically necessary, leave may be taken intermittently or on a reduced work week schedule, however the employee must schedule the leave so as not to unduly disrupt the department director operations. The City may transfer an employee to another position which would better accommodate the requirements of the City's operations.
- d. At the commencement of medical leave, the employee must first use accrued sick leave, and then must use all other accrued leaves. Employees may not use greater than twelve (12) days of their sick leave to care for a family member. Such accrued leave balances will be paid in the same manner as if the employee were absent due to illness or on vacation during the leave. Upon exhausting all leave balances, the employee will be on unpaid status for the remainder of the leave.
- e. During approved medical leave, after all applicable leaves are exhausted, the City will maintain life and health insurance coverage for the duration of the leave subject to any regular participation requirement of the employee.
- f. The foregoing leave shall be granted upon medical certification that the employee has a serious health condition, or the employee is needed to care for a family member suffering from a serious health condition. Additional medical opinions may be required (at the City's expense) and a fitness for duty report to return to work.
- g. Approved medical leave shall not be deducted from the employee's seniority service date.

2. Non-career hourly employees shall be eligible for up to twelve (12) weeks of medical leave if they have a minimum of one (1) year of service and have worked at least 1,250 hours during the previous twelve (12) months.

Implementation of Family Care Leave

1. Employees requesting family care leave must submit completed Request For Family Care Leave form (designating either parental or medical leave), or if leave is unforeseen, call their supervisor to obtain the form.
 - a. If parental leave is requested, employee must provide medical certification of pregnancy, legal evidence of adoption, or evidence of State authorized foster care.
 - b. If medical leave is requested to care for the employee's own serious health condition, the department shall require the employee to submit the City of Berkeley Medical Certification form completed by the employee's personal physician.
 - c. If medical leave is requested to care for a family member, the employee must submit City of Berkeley Medical Certification form indicating that the employee is needed to provide care for family member.
3. Employees may only be granted intermittent parental leave upon mutual agreement between the employee and the Department / City.
4. Intermittent leave must be granted for medical leave to care for the employee's own serious health condition provided the employee schedules leave so as not to unduly disrupt the department's operational needs.
5. Upon receiving documented leave requests, the departmental payroll clerk will conduct an audit of the employee's file and time cards for previous 12 months to confirm that the employee is eligible for family care leave, and to determine amount of leave employee can use.
6. Upon verification of employee eligibility, ACM / Department Director will approve family care leave for a specific time period and forward the leave application to Human Resources Director and City Manager for authorization.
7. The department will prepare the necessary payroll forms and employee transaction form to document the family care leave, and to ensure that the employee receives compensation, if applicable, and that all paid leaves are exhausted, as appropriate, prior to placing the employee on leave without pay.
